

"Nixa Recycle 2016"

Single-Sort Recycling at the curb is available to Nixa Residents at NO ADDITIONAL CHARGE.

- **The Single-Sort Recycling Cart Program!** As a City of Nixa resident you have the option to receive a 95-gallon recycle cart indicating "Recycling Only" for your recyclable items to be serviced every other week at your home. Just place all your recyclables in this wheeled cart and roll it to the end of your driveway by 7:00 a.m. every other week on your regularly scheduled trash service day. Your regular trash service will remain unaffected; recycle is serviced with a separate truck and times.
- **More types of recyclable items accepted!** (Included on the back page is information of recyclable Do's and Don'ts)

No sorting required and it's included with trash rate! It's recycling made easy: just place all recyclable items in your 95-gallon cart with different colored lid labeled RECYCLABLES for pickup every other week. You may contact Republic Services or visit the City of Nixa website at www.nixa.com listed under Service and Trash Service. With single sort recycle we handle all the sorting, saving you time. This program is available to Nixa residents and is included with your trash service on your water bill. There is No Additional Cost for the recycling cart services.
