APPENDIX A

APPLICATION SUBMITTAL REQUIREMENTS

A-1: Requirements Designated:

- a.) As provided in Article IV, Part 1, Subsection 4 it is recognized that the charts in this section outline the City of Nixa's application packages and required submittal requirements. From this information the City of Nixa shall determine whether the development proposal would comply with all of the requirements of this chapter. The permit issuing authority may require more information or accept less information according to the particular proposal.
- b.) Any submittal that does not meet the requirements as stated in this section shall constitute an incomplete application and shall be returned to the applicant.
- c.) The only opportunity for waiver or adjustment of any of these requirements is by the Planning and Development Manager, following a pre-application conference.
- d.) All plans for the same project shall be submitted at the same scale. Projects that require several applications shall have all plans submitted at the same scale, with a separate plan for each application.
- e.) Plans shall, where possible, include information on as few sheets as possible while still presenting information in a clear and concise manner. The title of the project shall be prominently placed in the upper right quadrant of the plan. All sheets shall be consecutively numbered.
- f.) The application package and plan submittal requirements contained in this section are the minimum amount of information that must be submitted in order for the review process to begin. The applicant may need to submit additional information in order to demonstrate satisfaction of review criteria. All exhibits and information used to demonstrate satisfaction of review criteria must be made part of the plan documents and will be kept on file with the City.
