

RE: Resolution #2025-04 Authorizing equipment purchase through Sourcewell cooperative contract

Background:

Staff is seeking authorization to purchase a new Forestry Bucket Truck.

Analysis:

In the 2025 CIP and budget, the electric department requested a new Forestry bucket truck, which was approved as a CIP for 2025. We plan to purchase the bucket truck from SourceWell, which is a cooperative contract we use from time to time to purchase equipment. The unit we seek to purchase is within the 2025 budget.

Recommendation:

Staff recommends passage of the Resolution to allow this purchase.
