

RE: Resolution #2025-09 Authorizing equipment purchase through the State of Missouri contract.

Background:

Staff is seeking authorization to purchase a new traffic marking line painter.

Analysis:

In the 2025 CIP and budget, the Street Department requested a new traffic marking painter, which was approved as a CIP for 2025. We plan to purchase the line painter from the State of Missouri contract, which is a cooperative contract we use from time to time to purchase equipment. The unit we seek to purchase is within the 2025 budget.

Recommendation:

Staff recommends passage of the Resolution to allow this purchase.
